

**MAHARISHI MARKANDESHWAR
(DEEMED TO BE UNIVERSITY)**
Mullana-Ambala, Haryana
(Established under Section 3 of the UGC Act, 1956)
(Accredited by NAAC with Grade 'A++')

NATIONAL LEVEL HACKATHON HackaversuMM'22

SEPT. 2-3, 2022

Dear Sir/Madam,

Maharishi Markandeshwar (Deemed to be University), Mullana-Ambala was established under Section 3 of the UGC Act, 1956 in the year 2007. The journey to excellence commenced in 1995 with the establishment of an Engineering College. Within about 25 years, the MM Group with 03 Universities in the States of Haryana & Himachal Pradesh, has grown to a multi-faculty & multi-campus organization offering more than 150 UG, PG and Ph.D programs.

MM(DU) has been Accredited with its highest Grade 'A++' by NAAC and is proud to be a part of the Top 1.8% Institutions of India. MM(DU) has been ranked in the rank band 551-600 in **QS Asia University Rankings** for two years in a row i.e. 2021 & 2022. In the recent **NIRF-2021** rankings, Dental, Medical and Pharmacy Institutes have been ranked 34th, 34th and 35th respectively.

As a step towards the accomplishment of our mission, we are planning to organize a two days National level Hackathon "**HackaversuMM**". This event aims to encourage budding developers, carve them into experienced individuals, and provide brainstorming solutions for the persisting real life problems.

We expect a potential audience of more than 1000 students from various Universities/ Colleges across the Country. The tentative schedule for this event is **September 2-3, 2022**.

We would like to take this opportunity to request your sponsorship in this event so as to make this event a grand success. We are looking forward to hear positive views from you and welcome the opportunity to discuss with you.

Regards

Team - MM(DU)
